The Bethlehem Historical Association will be visiting the children and immersing them into their community's history. Children will have the opportunity to observe artifacts from the towns past while also participating in several hands-on historical activities.	Children will be going to meet the mouse himself, play arcade games & have a pizza lunch. A token card will be given to each child upon arrival. Children are welcome to bring their own lunches; if preferred.	Children will learn about the 3 branches of government, the legislative process, & NYS laws while touring the NYS Capitol building in Albany. Children will view several pieces of American history while exploring this government site.	Welcome to the SOI Jungle! It's going to be a wildly good time. Children will have the opportunity to participate in a jungle themed carnival throughout the afternoon. There will be several fun-filled carnival games & prizes. You don't want to miss out on this!	What better way is there to celebrate winter than spending the day at the local ice rink at the Plaza. Children will have the opportunity to lace up their skates and speed around this beautiful outdoor rink. Children should come prepared with warm clothing & layers. Children are also encouraged to bring their own skates/helmets if available.
