| Children will travel back in time to the prehistoric land of Dinosaurs. Children will be given the opportunity to expand their knowledge of dinosaurs from a Dinosaurs Rock! educator & through hands-on learning in their very own Dino-Dig! | Children will be learning about their health & fitness throughout the day in a variety of lifestyle activities. Children will also travel to the Steamer 10 Theatre for a performance from "The Fourth Wall." "The Fourth Wall" is a trio of acrobatic musicians sure to amuse children of all ages. | Children will be indulged with both outdoor nature activities as well as local history. Children in grades K-1 will enjoy outdoor hiking & children grades 2-5 will learn to snowshoe on their field trip to 5 Rivers Environmental Education Center. Children should come prepared with proper winter attire. Children will also be traveling to the Schuyler Mansion & will participate in theme-based activities at site. | Children can explore vivid underwater worlds, watch sharks swim overhead & feel the soft, smooth skin of a stingray as they swim right up to their hands in Stingray Bay. Children will submerge themselves in a new world, surrounded by exhilarating creatures of the sea in this exciting underwater exploration day. Children will also participate in a Chinese New Year themed day back at site. | Children will dive into the world of physics through this hands-on, fun-filled day of motion. Children will spend their morning roller-skating with friends & their afternoon participating in motion related science & craft projects. |
